### Union Catholic Students Attend Pro-Life Rally at Seton Hall University

Scotch Plains, NJ, May 13, 2010 – Members of the Union Catholic Pro-life Club served as representatives of the school at the annual New Jersey Pro-Life Rally held at Seton Hall University on April 23, 2010. The event, sponsored by the Salesians of Don Bosco, featured speakers, skits, and music highlighting the importance of educating young people to “step up” and serve as disciples and apostles in the Gospel of life. “It was a day of communal prayer and songs, capped by a celebration of the Eucharist’ says Mr. Elito Tanyag, member of the UC Religion Department who attended the festivities along with the students pictured below.
